BIS@80

Celebrating 80 Years of Standards, Quality & Trust

The Bureau of Indian Standards (BIS), India's National Standards Body, is completing 80 years on **6 January 2027**.

80 = Eight decades of BIS journey
A legacy of 80 years in setting, promoting and ensuring standards for a stronger India.

Integrated BIS identity
The unified logo reflects a deep connection with BIS's rich legacy and future vision.

Circular composition
Represents continuity and an ongoing journey of progress, improvement and trust.

Modern geometric design
Symbolises precision, structure and technical excellence — the core of standardisation.
